Subject: Citrus County Landfill Survey MW-20 and MW-21
Attachments: Citrus Central MW-20 and MW-21.pdf

Good Afternoon John,

The County prepared the attached survey that has details showing the locations of MW-20 and MW-21 relative to the breaks in slope and the liner. The details are on the right side of the attached survey and should help define the correct designation for these wells. Please call me with any questions at 352-258-9520.

Thanks,

Troy D. Hays, PG
