Subject: Citrus Landfill update

Melissa / John , I wanted to give you another update on the phase III working face that was identified during your visit on 3/22/17 as being too large. I have attached a couple of photos that will show the progress staff has been made since that that time.

I will continue to monitor and insure that Citrus County remains in compliance with permit specification.

Henry C Norris Jr
Solid Waste Division Director
Citrus County Board of County Commissioners
230 W. Gulf to Lake Hwy
Lecanto, FL 34461
