Re: Revised Waste Tire Processing Facility permit renewal application dated October 3, 2017 for the T M Tires Inc. facility located at, near, or in the vicinity of 5555-5557 NW 36th Ave, Miami Dade County, Florida; FDEP Project No. 307803-002-WT / FDEP WACS No. 100092 / DERM File No. SW-1761.

Dear Mr. Rivero:

The Environmental Permitting Section (EPS) of the Pollution Regulation Division (PRD) of the Department of Regulatory and Economic Resources (DERM), under delegation by the Florida Department of Environmental Protection (hereafter jointly referred to as the Department), hereby acknowledges receipt of the referenced submittal on October 17, 2017 which supersedes the originally submitted application received on October 10, 2017. Please see the item checked below for the status of your application.

- ☐ This letter constitutes notice that a permit will be required for your project pursuant to Chapter(s), _____ Florida Statutes.
- ☒ Your application for permit is complete as of 10/17/2017 and processing has begun. You are advised that the Department under Chapter 120, Florida Statutes, must take final action on your application within ninety (90) days unless the time is tolled by administrative hearing.
- ☐ Your application for permit remains incomplete. Please provide the information requested on the attached sheet within forty-five (45) days of receipt of this letter. Evaluation of your proposed project will be delayed until all requested information has been received.
- ☐ The submittal to the referenced RAI was reviewed and deemed incomplete. Therefore, the additional information requested in the RAI (attached) shall be submitted within 30 days from the date of this letter. Further evaluation of the permit transfer will continue to be delayed until the outstanding RAI items have been addressed.
- ☐ At this time, no permit is required for your project by the Solid Waste Section. Any modifications in your plans should be submitted for review, as changes may result in permits being required. This letter does not relieve you from the need to obtain any other permits (local, state or federal) that may be required.

If you have any questions concerning this matter, please contact Johnny Vega, P.E. or Francisco T Calleja, P.E. of the EPS at telephone number (305)372-6600.

Sincerely,

Rashid Z. Istambouli, P.E., Chief
Pollution Regulation Division
