N/A

For any excess inventory at the end of the quarter, state how and when this condition will be relieved. Attach Additional sheets, if necessary.

The CDA does not have scales so tonnage is approximate. The CDA waits until we have a full load of tires to haul to Global Tire due to the hauling fees. GoodFellas is the County's haulers. Tonnage is gained from Global.

9. Certification: To the best of my knowledge and belief, I certify the information provided in this report is true, accurate, and complete.
