Subject: Post-Rainfall Turbidity Monitoring Of Long Flat Creek (41193 Hillsborough Southeast Landfill)

[External]

Thank you for the 2018 2nd semiannual groundwater and surface water monitoring report.

The report indicates that the County believes that discontinuing post-rainfall-event turbidity monitoring of Long Flat Creek surface water, as established by a April 3, 2003 Approval of Corrective Action Plan, is warranted.

The Department does not object to this discontinuation.

Thank you,

Benjamin Hsu

Subject: Southeast County Landfill August 2018 Monitoring Report - WACS #SWD/29/41193

Dear Mr. Morgan,

Please find attached an electronic copy of the August 2018 semi-annual monitoring report for the Southeast County Landfill. Should you or anyone copied on this e-mail have any questions or wish to discuss the information submitted, please feel free to call me directly at (813) 663-3222. The Adapt files and report shall be submitted to Tallahassee SWD through the FDEP Business Portal.

Best Regards,

Michael D. Townsel
