Review and Approval of Financial Assurance Cost Estimate

We have reviewed the closure cost estimate received by the Department on July 14, 2008 for the facility referenced above. This is a detailed estimate, not an inflation adjusted estimate. The Central District accepts the closure cost estimate of \$41,250 as adequate for the site at this time.

The signed and sealed original cost estimates are in the Central District's file. A copy is available in Oculus in Solid Waste/Fiscal/Cost Estimate Related.
