Re: Compliance Assistance Offer
US 27 Tires, LLC
WACS ID 101295
Polk County

Dear Mr. Belfakir:

An inspection was conducted at your facility on February 20, 2020. During this inspection, potential non-compliance was noted. The purpose of this letter is to offer compliance assistance as a means of resolving these matters.

Specifically, potential non-compliance with the requirements of chapter 403, Florida Statutes, chapter 62-701, Florida Administrative Code were observed. Please see the attached inspection report for a full account of Department observations and recommendations.

We request you review the items of concern noted and respond via email within **15 days** of receipt of this Compliance Assistance Offer. Your written response should include one of the following:

1. Describe what has been done to resolve the non-compliance issue or provide a schedule describing how/when the issue will be addressed.
2. Provide the requested information, or information that mitigates the concerns or demonstrates them to be invalid, or
3. Arrange for the case manager to visit your facility to discuss the items of concern.

It is the Department's desire that you are able adequately address the aforementioned issues so that this matter can be closed. Your failure to respond promptly may result in the initiation of formal enforcement proceedings.

Please address your response and any questions to Kaitlyn Newsome of the Southwest District Office at (813) 470-5877 or via e-mail at kaitlyn.newsome@floridadep.gov. We look forward to your cooperation with this matter.

Sincerely,

Inspection Date: 02/20/2020

Current Violations:

Rule: 62-701.300(1)(a)

Question Number: 9.1.1

Explanation: During the inspection, waste tires were observed to not be stored in accordance with the facility's approved application documents including the Figure #2 Building Detail Plan and Facility Operations Plan received by the Department on October 8, 2018. Mr. Belfakir indicated that the facility has recently installed additional tire storage racks along the North Western exterior wall in order to increase storage capacity at the facility.

On March 9, 2020, Mr. Steve Morgan (Solid Waste Permitting) conducted a follow up site visit of the facility. During the site visit, Mr. Belfakir indicated that he would provide additional information regarding the current configuration of the new tire racks and how this impacts storage capacity on site.

Corrective Action: Please provide the information as noted above. Additionally, please note that a permit modification will be required following receipt and review of this information.
