Permit Application No. SC64-0078767-024 Complete

Dear Mr. Marion:

Your application for permit DEP File Number SC64-0078767-024 is considered complete. The original permit application was dated July 11, 2008 and received July 14, 2008. The final information received by the Department to make the permit application complete was dated September 25, 2008 and received on September 25, 2008. The Department will make a final determination about the permit application no later than December 24, 2008.

The final submittal included a "Financial Assurance Cost Estimate Form," that was signed and sealed on September 23, 2008. It was a detailed cost estimate for the Class III disposal area. The total closing costs were estimated to be \$7,632,040; the total 30-year long-term care costs were estimated to be \$2,675,821. The Department approves this cost estimate, replacing the inflation adjusted cost estimate dated August 22, 2008.
