COMMENTS:

07/12/2016

An inspection was performed at the Gulf Power Lansing Smith facility on July 12, 2016. Kevin Beaty and Brent Skipper provided access and an overview of the site.

The ashponds appear to be in compliance with the Department's Solid Waste Management rules at the time of the inspection. A copy of the Ash Pond Certification letter submitted to the Department on January 6, 2016 was provided by Mr. Skipper.
