Attn: Lorraine:

Dear Lorraine;

This letter is to inform you that we are having issues with the Waste Tire Collector decals. I have included a picture of one of them to show you how the top portion is just peeling off. This is happening on the other ones also, the decal #'s are as follows:

1792 1793 1794 1795 1796 1797 1798 1799

I have also included a copy of your receipt with all the truck info on it. Would you please send us out some decals to replace these? As we talked on the phone I will put the new ones inside the truck until you receive the new batch of decals that will stay together.

If you need any further information please free to call.

Sincerely;

John Hoving  
Manager

P.S. I will mail this hard copy to you.
