Oak Hammock Disposal Facility  
Certification of Construction Completion – Cell 5

Dear Mr. Orr:

This will acknowledge receipt on October 18, 2007, of the *Certification of Construction Completion of a Solid Waste Management Facility*, dated October 17, 2007, by Ayushman Gupta, P.E. of Geosyntec Consultants, addressing Cell 5.

Based upon an inspection by James Bradner, P.E. conducted on October 11, 2007, and Mr. Bradner's review of the certification report, construction of Cell 5, as certified by the Engineer of Record, has been completed and is substantially consistent with plans and specifications approved under DEP Permits SC49-0199726-004 and SC49-0199726-005. Accordingly, solid waste may be placed in Cell 5 for disposal.

Neither this letter nor any prior agreement with the Department relieves you of the responsibility of complying with any applicable ordinances, rules, or laws of any local, county, state, or federal government entity.

Please contact me at 407-893-3328 if you have questions or need further information.

Sincerely,

**For:**

F. Thomas Lubozynski, P.E.  
Waste Program Administrator
