Closure Costs

Dear Mr. Brown:

Following an on-site visit to the Florida Tire Recycling processing facility, I have reviewed the attached closure cost estimates and find that the scope of the work and cost estimates are consistent and reasonable based upon the observed conditions.

If you have any questions, please call.

Sincerely,

Joseph T. Friscia, P.E.

Mr. John Wilson
President
Florida Tire Recycling, Inc.
9675 Range Line Road
Port St. Lucie, FL 34987

Dear Jack:

Per your request, Wheelabrator is pleased to provide the following proposal for waste tire disposal in the event of site closure at your facility in Port St. Lucie, Florida.

Whole Tires – will be accepted for a disposal of \$50 per ton f.o.b. Ridge Generating Station.

Processed Tires meeting Wheelabrator Ridge Energy's specifications will be accepted free of charge.

If you need any additional information, please let me know.

Sincerely,

Phil Tuohy

PJ TRUCKING AND LAND CLEARING, INC
12370 PIPER CLUB TERR
PORT ST LUCIE, FL 34987

Dear Mr. Wilson,

In accordance with your request we conducted an on site inspection of Florida Tire Recycling, Inc. property located at 9675 Range Line Road, Port Saint Lucie, FL 34987, on 4/22/09, to finalize a facility closure cost estimate.

For the sum of \$25,000 we propose to clean, scrape and final grade all rubber chip storage locations. Our fee shall include the disposal of any rubber chips and remaining whole tires at Wheelabrator Ridge Energy as per attached agreement. It is further agreed that the contract price excludes any OTR unregulated tires.

Sincerely,

Peter Jock, President
