Dear Jack:

Per your request, Wheelabrator is pleased to provide the following proposal for waste tire disposal in the event of site closure at your facility in Port St. Lucia, Florida.

Whole Tires – will be accepted for a disposal fee of \$30 per ton f.o.b. Ridge Generating Station.

Processed Tires – will be accepted free of charge in accordance with the terms of our letter agreement through October 9, 2003. The term "processed tires" means any processed waste tire chips meeting the definition of FAC 62-701.200 (86).

If you need any additional information please let me know.

Sincerely,

Phil Tuohy
