Re: Highlands County - SW
Florida Tire Terminal
Waste Tire Beneficial
Use Agreement

Dear Mr. Reisig:

Attached is a final copy of the referenced Agreement which will allow Florida Tire Terminal to continue operating without a waste tire processing facility permit as described in the Agreement.

Please have the original signed by Eugene Beck, Jr., President of Beck's Tire Service, Inc. and return it to this office, along with all documentation required by the Agreement, within forty (40) days of receipt of this Agreement.

After the Department is provided with assurances that all conditions of this Agreement will be met the Department will reinspect Florida Tire Terminal and sign (execute) the Agreement. A copy of the Agreement will then be sent to you.

If you have any questions please contact Bill Krumbholz of this office at (941) 332-6975. Your cooperation is appreciated.

Sincerely,

Peter J. Ware
Director of
District Management
