Subject: FTR WTPF Application

Frances,

We received one copy of an application from FTR for renewal of their Waste Tire Processing Facility permit on 6-9-94 while I was on vacation. Joe Kahn sent a letter to FTR on 6-15-94 requesting 2 more copies for review. We received the additional copies on June 17, 1994. Joe Kahn didn't send you a copy for review for the financial assurance portion. I am back from vacation now and observed that you hadn't been sent a copy of the application. I talked to Bill Parker this A.M. and told him I'd FED-X a copy to you today. Please review **ASAP** and provide any comments that you have to us so that we can send FTR one response letter **before the default date of July 16, 1994**. Sorry for the mix-up and delay.

You may need to talk to Janet Bowman as to how the court order affects the financial assurance portion that you will be reviewing since this will be different than any other site that we have had due to the order under item 10F.
