Permit Files

Dear Mr. Wilson:

This is to acknowledge receipt of your renewal application, file number 41202-WT-003 for a Waste Processing Facility.

- ☐ This letter constitutes notice that a permit will be required for your project pursuant to Chapter(s) _____, Florida Statutes.
- ☐ Your application for permit is complete as of _____ and processing has begun. You are advised that the Department under Chapter 120, Florida Statutes, must take final action on your application within ninety (90) days unless the time is tolled by administrative hearing.
- ☒ Your application for permit is incomplete. Please provide the information listed on the attached sheet(s) promptly. Evaluation of your proposed project will be delayed until all requested information has been received.
- ☐ The additional information received on _____ was reviewed; however, the item(s) listed on the attached sheet(s) remain incomplete. Evaluation of your proposed project will continue to be delayed until we receive all requested information.
- ☐ At this time no permit is required for your project by the Solid Waste Section. Any modifications in your plans should be submitted for review, as changes may result in permits being required. This letter does not relieve you from the need to obtain any other permits (local, state or federal) which may be required.

If you have any questions, please contact me at telephone number (561) 681-6667. When referring to this project, please use the file numbers indicated.

Sincerely,

Amede Dimonnay, M.B.A. ✓

In order to complete review of your application pursuant to Section 403.087(4), Florida Statutes (F.S.), Sections 62-4.055, 62-4.070(1), 62-701.320, and 62-711.300 (2) Florida Administrative Code (F.A.C.), please provide the following information.

- I. Please revise the closure cost estimate to show the tonnage of tires that have been processed but do not meet Wheelabrator Ridge Energy's specifications for the disposal at Florida Tire Recycling, Inc.
- II. Please submit a letter from Wheelabrator Ridge Energy Inc. stating that there will be no charge to the State of Florida as a 3rd party for disposal of processed tires that meet Wheelabrator Ridge Energy's specifications.
- III. Please provide a copy of Wheelabrator Ridge Energy's specifications.
- IV. Please provide a letter from a corporate officer of Florida Tire Recycling, Inc. to authorize John Wilson to sign the application.

NOTE: Rule 62-4.055(1), F.A.C. states in part that within thirty days after receipt of an application for a permit and the correct processing fee the Department shall review the application and shall request submittal of additional information the Department is authorized by law to request. The applicant shall have ninety days after the Department mails a timely request for additional information to submit that information to the Department. If an applicant requires more than ninety days in which to respond to a request for additional information, the applicant may notify the Department in writing of the circumstances, at which time the application shall be held in active status for one additional period of up to ninety days. Additional extensions shall be granted for good cause shown by the applicant. A showing that the applicant is making a diligent effort to obtain the requested additional information shall constitute good cause. Failure of an applicant to provide the timely requested information by the applicable deadline shall result in denial of the application.

In addition, all submittals must be signed and sealed by a professional engineer licensed in the state of Florida.
