RE: QUARTERLY REPORT FOR WASTE TIRE PROCESSING FACILITIES
Correspondence Letter Dated September 19, 1994
Attachments: DER Form # 17-711.900(4), (effective 2-22-89)
&
DER Form # 17-711.900(2), (effective 2-28-94)

Dear Mr. Quarterson:

The Department acknowledges receipt of your above letter and attachments via certified mail (#P128 793 731) to Mr. William Parker of our Tallahassee office. This letter and the attachments were date stamped received by Tallahassee on October 26, 1994 and subsequently by the Southeast District on November 9, 1994 for review. Our review of the Waste Tire Processing Facility Annual Report Form, FTRI has inadvertently completed the incorrect form. The Waste Tire Rule was amended on February 28, 1994 and consequently this form has been changed and requires more specific detail than the former form. Consequently, your original letter and Waste Tire Processing Facility Annual Report Form are being returned to you since it does not comply with Rule 62-711.530(5), Florida Administrative Code. A copy of the new form, entitled Waste Tire Processing Facility Quarterly Report, is enclosed for your benefit. Please complete this form and submit the completed form to this office on or before December 15, 1994.

Note that FTRI has properly completed the Waste Tire General Permit Notification/Quarterly Report.

If you have any questions concerning this matter, please contact me at telephone number 407/433-2650, extension 110.

Sincerely,

Joseph Lurix, Engineer
Solid Waste Programs
