RE: GMS 5056P01887 – Florida Tire Recycling, Inc.

Dear Mr. Quilty:

I reviewed the documentation submitted to demonstrate financial assurance for the above referenced facility and find it is in order. First Peoples Bank letter of credit amendment number 2, dated May 1, 2003, increasing the credit amount of letter of credit number 2001-150 to \$72,000, adequately covers the Department approved closing cost estimate of \$69,962.24. Therefore, the Florida Tire Recycling, Inc. facility is in compliance with the financial assurance requirements of 40 CFR Part 264, Subpart H, as adopted by reference in Rule 62-711.500(3), Florida Administrative Code, at this time.

If you have any questions, please contact me at (850) 245-8743.

Sincerely,
