Sabrina,

We have baseline groundwater sampling scheduled for tomorrow, July 3. I apologize for the short notice, we had another job get cancelled for tomorrow. I expect that we will be on-site by 8:00 AM and have the work completed before noon.

We tentatively have the remediation system start-up scheduled for Tuesday July 9 through Friday July 12. This assumes that we will have power by 7/9.

Polk City Truck Stop

Polk City, Polk County, Florida
Facility ID #53/8842412

Please give me or Chad Russo a call if you have any questions regarding the project.
