Request for Information

Dear Mr. McCully:

A hazardous waste compliance inspection was conducted at your facility on September 25, 2002. This inspection was conducted under the authority of Section 403.091, Florida Statutes, and Chapter 403, Part IV, Florida Statutes. The inspection is designed to determine the compliance status of your facility with 40 CFR 260-268, adopted in Florida Administrative Code Chapter 62-730, and 40 CFR 279, adopted in Florida Administrative Code Chapter 62-710.

In order that the Department may complete a review and report of your facility, you are requested to provide the following information **within 20 days of your receipt of this letter:**

1. Calibration reports from the manufacturer of the "tif" hand-held units ("sniffers") used to screen used oil in the field.
2. Documentation that all drivers have been trained in proper use and maintenance of the sniffers.
