### Generators Certification

I hereby declare that every effort will be made to collect used oil, used anti-freeze, used oil filters, used oil absorbent, and petroleum contact waters in separate collection vessels in order to maintain the status of each of the used product streams and the contents of this consignment are fully and accurately described and are in all respects in proper condition for transport by highway or railroad according to applicable Federal, State and Local government regulations. In the event that this material is found to be hazardous waste, I accept the responsibility for its proper disposal and reporting, if required under Federal, State or Local regulations, including any contamination by commingling. Unless I am exempt by a statute or regulation, I also certify that I am in compliance with Section 3002(b) of RCRA.
