Dear Sebrena,

This letter is in reference to the recently amended used oil rule for halogen screenings. Our company is transportation only. We do not pull samples or do any screening. Those processes are the responsibility of the TDSF that hires us to do the transportation. The profile approval and Manifesting is done by the TDSF when we do the pickup.

If you have any questions or need further information, please call me at 386-736-1978 or e-mail me at arpaquettejp@cfl.rr.com.
