RE: **Facility ID: FLR05B025**  
Jabil  
County: Pinellas

Dear Permittee:

The Florida Department of Environmental Protection has received and processed your *Notice of Intent to Use Multi-Sector Generic Permit for Stormwater Discharge Associated with Industrial Activity* (NOI) and the accompanying processing fee. This letter acknowledges that:

- your NOI is complete;
- your processing fee is paid-in-full; and
- you are covered under the *Multi-Sector Generic Permit for Stormwater Discharge Associated with Industrial Activity* (MSGP).

Your facility identification number is **FLR05B025**. Please include this number on all future correspondence to the Department regarding this permit.

This letter is **not** your permit; however, it does serve as **verification of permit coverage**. A copy the sector-specific permit language is available online at [www.dep.state.fl.us/water/stormwater/npdes/industrial5.htm](http://www.dep.state.fl.us/water/stormwater/npdes/industrial5.htm) or by contacting the NPDES Stormwater Notices Center. Your facility falls under **Sector AC** of the MSGP.

March 23, 2016

Your permit coverage became effective **3/13/2016** and will expire **3/12/2021**. To terminate coverage prior to this expiration date, you must file a *National Pollutant Discharge Elimination System (NPDES) Stormwater Notice of Termination*, DEP Form 62-621.300(6). To renew your coverage beyond the expiration date, you must submit a new NOI and processing fee to the Department no later than two days before coverage expires.

Until your permit coverage is terminated, modified, or revoked, you are authorized to discharge stormwater from your facility to surface waters in accordance with the terms and conditions of the MSGP. Two key conditions applicable to your sector of the MSGP are:

- implementing your stormwater pollution prevention plan (SWPPP) and
- retaining the records required by the permit (including your SWPPP) at your facility.

If you have any questions concerning this acknowledgment letter, please contact the NPDES Stormwater Notices Center at (866) 336-6312.

Sincerely,

Krishna P Baral  
Computer Operator II  
NPDES Stormwater Program
