PLACARDS TENDERED: YES ☐ NO ☐

Note: (1) Where the rate is dependent on value, shippers are required to state specifically in writing the agreed or declared value of the property. In absence of agreed or declared value of the property is hereby specifically stated by the shipper to be not exceeding.

(2) Where the applicable tariff provisions specify a limitation of the carrier's liability in the event of a loss or damage to the property, the carrier's liability shall be limited to the extent provided by such provisions. See NACTA Item 172.

(3) Commodities requiring special or additional care or attention in handling or stowing must be so marked with placards as to require safe transportation. See Section 204 of the Contract Terms and Conditions for a list of such articles.

I hereby declare that the contents of this consignment are fully and accurately described above by proper shipping name and are classified, packaged, marked and labelled/placarded, and are in all respects in proper condition for transport according to applicable international and national governmental regulations. I also certify that all times listed above are true and correct.

RECEIVED, subject to the conditions and tariffs in effect on the date of the issue of this Bill of Lading, the property described above in apparent good order, except as noted herein, and in conformity with the terms of the contract of carriage, and the shipper agrees to indemnify the carrier for any loss or damage to the property under the contract agreed to by the shipper and the carrier.
