DEP Form #52-710 901(4)
Form Title Certificate of Liability
Insurance, Used Oil Transporters
Effective Date June 9, 2003

## Chapter 62-710.600(2)(e), Florida Administrative Code Certification Program for Used Oil Transporters

(e) Have, verify, and maintain vehicle insurance with a combined single limit of no less than \$1,000,000. Such insurance, or additional policy, must in no way exclude pollution coverage for sudden and accidental alleged or threatened discharge, dispersal, seepage, migration, release or escape of used oil, and must include any cost or expense relating to pollution damage for which the transporter is legally liable. Such insurance must be maintained at all times and be exclusive of legal defense costs.

1. The insurance required in this paragraph may be established by:

a. Evidence of liability insurance, either on a claim made or an occurrence basis, with or without a deductible (with the deductible, if any, to be on a per occurrence or per accident basis and not to exceed ten percent of the equity of the business), using DEP Form 62-710.901(4). The insurance policy shall be issued by an agent or company authorized or licensed to transact business in the State of Florida. An ACORD form will only be accepted for renewal of a policy with the same carrier; or

b. For business entities registered in Florida, evidence of self-insurance provided by the chief financial officer of the business entity.

2. States and the federal government are exempt from the requirements of this paragraph.
