Alan,

Just got a fax from Sheileen with the permit status change on it. I will fax it to you. Anything else I can provide?

THanks,

Mark

Alan,

I faxed you our corrective action memo last week and put a hardcopy in the mail, but I forgot to include to include our revised SPCC plan. I just put a copy of the it in the mail this morning. I can fax if if you would like, but it is a little long. If you have any questions or need anything else, please let me know.

Thanks,

Mark
