Subject: FDEP meeting on 1/19/10

Mr. Coomes,

On 1/19/10 you attended a meeting here at the FDEP offices to discuss the warning letter and penalty sent to your facility, Coomes Oil & Supply. During the meeting, it was agreed that you would send DEP a response to the violations listed in the warning letter, as well as a statement about your current used oil transporting business, pictures of the cleanup work, and the receipt for the last pick up of used oil from your facility. The due date for these materials was 2/10/10. I have not yet heard from you in regards to these items. We cannot wrap up this case or execute a consent order with you until these items have been provided. Please contact me to let me know how soon you can send in those documents. We would like to have the consent order executed this month. If you have any questions, please let me know.

Thank you,

Jenna Perry
