Re: Halogen testing procedures for Used oil collection

Ring Power Corp. does not engage in the collection of Used Oil and / or Filters generated by anyone other than our employees.

We do not and will not accept or transport any used oil or filter stored in any container, tank, barrel or bucket which has been removed by anyone other than a Ring Power technician.

This product is checked for halogens before removal from our property by Synergy Recycling.

Explanation of this procedure is a part of our annual training provided to all our preventive maintenance drivers and dispatchers.
