Dear Mrs. Aprilia Graves,

I want to thank you for all of your assistance with this years Hazardous Waste Transporters permit renewal process. We have decided to discontinue the transportation of used oil as well as used oil filters. We did not transport either of them in 2009 so that is why we have made the decision to discontinue this part of our permit. We do however still transport hazardous waste as well as hazardous materials. If you have any questions or need further information please feel free to contact me at (386) 736-1978.

Sincerely,

Jessica M. Ogle
