HAZARDOUS WASTE

Dear Mr. Griffith:

The following diskette and attached certification comprise AERC's Hazardous Waste Report for the 2003-reporting year. AERC encountered the following apparent errors when completing the report electronically:

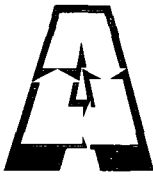

- WR Report, Section H – RCRA-Radioactive Waste: This information was not able to be data-entered electronically. Additionally, neither the character "N" or "2" is listed on the hard copy report. Please be advised that no waste received by the AERC facility is RCRA-Radioactive Waste.

Should you have any questions regarding this report or require additional information, please contact me at (321) 952-1516.

Sincerely,

James L. Kington
