Dear Gary,

As per our discussion, this letter confirms that Chemical Pollution Control of Florida, Inc. (CPC), pursuant to your need to evacuate your drums of hazardous waste in the event of a major flood or hurricane, agrees to accept with two days verbal notice, up to seventy (70) drums for disposal within three days of receipt of said notice.

If I can be of any other assistance, please do not hesitate to call.

Very truly yours,

Philip Epstein  
Vice President

Dear Shawn:

Further to our discussions, this letter confirms that International Petroleum Corporation, ("IPC"), pursuant to your need to evacuate your on specification used oil inventory in the event of a major flood or hurricane in the Broward County area, agrees to accept f.o.b. Plant City, Florida with two days verbal notice, up to 100,000 gallons of on specification used oil for purchase at the wholesale market rate established by IPC, or for temporary storage as elected by IPC at a rate equal to five cents per gallon per day. This agreement will remain in effect until December 31, 1992.

Very truly yours,

  
~~International Petroleum Corporation~~

Garry R. Allen, President
