Hi Kelli,
Thanks for the information. I am forwarding this information and e-mail to Aprilia Graves who is in charge of RUOH/RHWT. So that she can review this information and satisfy the submittal of her concerns in her Transporter Certification applications also, if it is appropriate and necessary to revise and include in 8700-12FL.

Aprilia Graves will respond to your e-mail.

Bheem and Kelly,

The FCC – Plant City facility has had a couple of personnel changes and seeks to update our emergency contacts with the State. Attached is the updated list (pg. 6-5 of our UO permit). Please let me know if I need to mail hard copies. Thank you.

Have a great day!
