Please note that the 8700-12FL Notification Forms for the transfer facilities located in Port Everglades, Tampa and Jacksonville provide hazardous waste insurance information in Question 7. However since we only use our ILR 000 130 062 to transport hazardous waste we only checked that box on our ILR renewal. If you should have any questions regarding this, please do not hesitate contact either Catherine McCord at [Catherine.mccord@crystal-clean.com](mailto:Catherine.mccord@crystal-clean.com) or myself at [Michelle.walper@crystal-clean.com](mailto:Michelle.walper@crystal-clean.com). This is consistent with previous communications between Catherine McCord and the Department.

We currently use the same Used Oil training manual that we provided in our 2010 submittal. If you would like another copy we would be more than happy to provide that to you.

Renewal certificates can be forwarded to my attention at [michelle.walper@crystal-clean.com](mailto:michelle.walper@crystal-clean.com).

If you should have any questions regarding these documents, please do not hesitate to contact me at (847) 783-5355 or by e-mail. Thanks for your help with these renewals.

Sincerely,

Michelle R. Walper
