Jenna,

Please accept this email as our response (within 30 days) to the attached letter.

Concerning violation # 1:

Starting June 1, 2011 ERS will be using the field testing kit (Clor-D-Tect Q4000 (Q4-000-SG)) to determine the range of halogens in used oil shipments prior to transportation. The results concerning each test will be noted on the used oil manifest by the driver.

Thanks,

John Anderson
