Ashwin,

I have called and e-mailed Dave Smith with SunWorks Solar and have received no response. May I have until Friday to secure the information? I'm trying to get what you asked for but he is being of NO help.

Regards,

Harry Lewis

Mr. Lewis,
I received your hard copy of the P2 Final Report, thank you. In order to allow this P2 project to offset the remainder of the penalty, we need an itemized receipt from Sunworks breaking down the \$18,500 total, including parts and labor costs. Please submit this itemized receipt by May 31.

If you have any questions, please let me know.

Thanks,
Jenna Perry

Thanks Mr. Lewis. Would you mind sending over a hard copy with your original signature and a xerox'ed copy of the original receipts (the pictures were a little fuzzy)? Please also send an itemized receipt for the project and a closer picture of the addition, if you can get one.

If you have any questions, please let me know.

Thanks,
Jenna Perry

Jenna,

Please find attached our P2 project final report. Thank you for your help throughout this process and for the education we have received. This experience has made us a better, more responsible company and we are actively seeking to educate our customers and the public on matters of used oil compliance.

Take care!

Sincere Regards,

Harry Lewis, Jr.

Mr. Lewis,

This is a reminder that your P2 project final report was due to us by 3/26/11. Attached for your convenience is the short form consent order that you signed in October. Details about the contents of the P2 final report can be found in Exhibit 2, section D (pdf page 20). Please submit the final report to us no later than 4/15/11. If you have any questions, please let me know.

Regards,

Jenna Perry
