MANIFEST TERMS AND CONDITIONS

THE PARTIES IDENTIFIED ON THE FRONT OF THIS MANIFEST (collectively "Customer") ACKNOWLEDGE THAT HOWCO ENVIRONMENTAL SERVICES ("HOWCO") CANNOT ACCEPT OR PROVIDE STORAGE, TRANSPORTATION, TREATMENT OR DISPOSAL OF MATERIALS WHICH CONSTITUTE OR CONTAIN HAZARDOUS WASTE as that term is defined under applicable law, including without limitation, the Resource Conservation and Recovery Act, 42 U.S.C. Section 6901 et seq. and 40 CFR part 261 et seq.

CUSTOMER CERTIFIES, REPRESENTS AND WARRANTS that the material(s) accepted by HOWCO at its mobile or fixed facilities and assigned the HOWCO manifest number set forth hereon: (a) are not "hazardous waste" under applicable law; (b) are fully and accurately characterized in all documents, certifications, profiles and manifests provided by the Customer to HOWCO (collectively "Waste Characterization"); (c) if identified herein as "used oil," the material has not been mixed with any other waste and the total halogen content is less than 1000 ppm; (d) if identified herein as "petroleum contact water" under FAC 62-740 ("PCW"), Customer is in compliance with FAC 62-740, and such PCW does not contain levels of hazardous constituents above those found in the source of the PCW; and (e) if Customer is a conditionally exempt small generator of hazardous waste, Customer has so notified the appropriate regulatory agencies of its status.

CUSTOMER JOINTLY AND SEVERALLY, AGREES TO INDEMNIFY, HOLD HARMLESS AND DEFEND HOWCO and its officers, directors, employees, and shareholders, from and against all liabilities, losses, claims, damages, penalties, suits and any costs and expenses incident thereto (including without limitation cost of investigation and remediation, administrative or judicial fines or penalties, cost of defense, settlement and expert and attorney's fees whether in court, out of court, in bankruptcy court, or on appeal) (collectively "Claims"), including without limitation Claims for death or bodily injury to any person, any destruction or damage to any property, contamination of or adverse effects on human health, natural resources or the environment, any alleged violation of any law, regulation, permit or orders, whether caused in whole or in part, or arising out of or in connection with: (a) any breach of representation contained herein or in any Waste Characterization submitted by Customer to HOWCO; (b) in the event that the material identified on the face of this manifest is found to be a hazardous waste; or (c) any acts or omissions by HOWCO or otherwise arising out of HOWCO's activities or about Customer's property. CUSTOMER HEREBY RELEASES HOWCO AND WAIVES ANY CLAIMS IT MAY HAVE AGAINST HOWCO ARISING OUT OF SUCH MATTERS.

If there is a dispute, claim of offset, credit owed, prior payment discount, or any other matter that Customer contends reduces Customer's obligation to pay the full amount of this invoice(s), Customer is required to notify HOWCO in writing, immediately. FAILURE TO PROVIDE SUCH WRITTEN NOTICE TO HOWCO WITHIN FIVE (5) DAYS FROM CUSTOMER'S RECEIPT OF THIS MANIFEST SHALL CONSTITUTE A FULL AND COMPLETE WAIVER OF ANY SUCH DEFENSE TO LIABILITY FOR PAYMENTS OWING. Any litigation involving the matters set forth on this manifest shall be brought in Pinellas County, Florida. In any action, suit or proceeding to enforce, defend or interpret either party's rights under the terms of this Manifest or to collect any amounts due hereunder, the prevailing party shall be entitled to recover all costs and expenses incurred in enforcing, defending or interpreting its rights hereunder, including, but not limited to, all collection and court costs, and all attorneys' and paralegal fees, whether incurred out of court, at trial, on appeal, or in bankruptcy proceedings. ANY SUCH SUMS NOT PAID WHEN DUE SHALL EARN INTEREST AT THE MAXIMUM RATE PERMISSIBLE WHEN DUE UNTIL PAID IN FULL.
