Mr Eckoff,

I have reviewed Chapter 62-740 and the ruling 62-740.300(5). I can not find any specified form in order to submit a report for PCW. Can you advise me? Also, the Engineer is almost finished with revising our contingency plan and as soon as he has it done, I will submit the revised information to the local authorities. I thought I should submit the revised info so we are up to date.

Can you please tell me how to submit a PCW report?

Thank you,  
Karen Violet
