Subject: EQ Florida, Inc.; FLD 981 932 494; Operating Permit 34875-HO-009, *Sediment Sampling Report, 8th Avenue Property Stormwater Retention Pond, EQ Florida, Inc., Tampa, Hillsborough County, Florida* dated February 29, 2012

Dear Mr. Stapleton:

As required by Specific Condition Part V.4 of your permit, your Confirmatory Sampling Report (CSR) was received by March 5, 2012. The Department agrees that no further action is needed at this time, and SWMU-15 will be moved to that category in your operating permit during the next permit modification or renewal.

To reiterate, to assist in your description of the development and construction history of the pond, it would be best to consolidate the information found in Parts P and Q of the Hazardous Waste Permit Application, the May 13, 2011 RFA Addendum and this report during your next permit renewal.

If you have any questions, please call me at 850-245-8796 or merlin.russell@dep.state.fl.us

Sincerely,
