Consolidation of Wastes

Dear Mr. Paquette:

During a hazardous waste compliance inspection of A.R. Paquette & Co., Inc., on July 23, 1998, questions arose about consolidation of partial loads from separate trailers. Consolidation of loads is considered incidental to transportation. If performed within 24 hours, the transporter is not subject to the requirements for hazardous waste transfer facilities in Florida Administrative Code Rule 62-730.171 or the restrictions identified in House Bill 3701, a copy of which is attached.

If you have any questions, please contact me at (407)893-3323.

Sincerely,

John White
