Bheem –

In reference to the attached request for Additional Information from the FDEP in Tallahassee regarding our Used Oil Processing Facility Permit renewal for the CBI – Tampa Facility, CBI would like to respectfully request an additional 30 days to respond to the FDEP.

This request is made due to a current heavy work load and time constraints at CBI.

The requested information will be provided to the FDEP in Tallahassee by Wednesday, February 19, 2014.

Thank you in advance for your consideration of this request.

Regards,

Bill
