A person whose substantial interests are or will be affected by the Intent to Issue may petition for an administrative determination (hearing) under Sections 120.569 and 120.57, F.S. The petition must contain the information set forth below and must be filed (received) in FDEP's Office of General Counsel, Agency Clerk, 3900 Commonwealth Boulevard, Mail Station #35, Tallahassee, Florida 32399-3000. Petitions filed by the permit applicant and any parties entitled to written notice under Section 120.60(3), F.S. must be filed within 45 days of receipt of the Intent. Petitions filed by any other persons must be filed within 45 days of publication of this notice or receipt of the Intent, whichever occurs first. A petitioner shall mail a copy of the petition to the applicant at the address indicated above at the time of filing. The failure of any person to file a petition within this time period shall constitute a waiver of that person's right to request a hearing under Sections 120.569 and 120.57, F.S. Any subsequent intervention (in a proceeding initiated by another party) will be only at the discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C. the action petitioner wants the Department take with respect to the proposed action.

A petition that does not dispute the material facts on which FDEP's action is based shall state that such facts are in dispute and otherwise shall contain the same information as set forth above as required by Rule 28-106.301, F.A.C.

Because the administrative hearing process designed to formulate final agency action, the filing of a petition means that FDEP's final action may be different from the position taken by it in this notice. Persons whose substantial interests will be affected by any such final decision of FDEP have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above.

Any person may request a public meeting regarding the proposed permitting decision pursuant to Section 403.722(10), F.S. A request for a public meeting is not equivalent to a request for a formal or informal administrative hearing. Public meetings are not evidentiary in nature, and information submitted at a public meeting is for non-binding consideration only. A public meeting is not subject to court or appellate review. A request for a public meeting must be filed (received) in the Office of General Counsel Agency Clerk, within 45 days of publication of this notice. Failure to file a request for a public meeting within this time period shall constitute a waiver of a right such a person may have to request a meeting under Section 403.722(10), F.S.

Mediation is not available in this proceeding.
