Bheem –

In reference to your e-mail below, CBI would like to respectfully request a time extension of 30 days to put into place the revised 2014 Financial Assurance with the FDEP in Tallahassee for all of the CBI facilities.

This includes inflation factor adjustments for the CBI facilities located in Miami, Fort Lauderdale, Port Everglades, Canaveral, Jacksonville and the newly revised and approved Closure Cost Estimates for CBI's Tampa facility.

CBI will have in place Financial Assurance with the FDEP in Tallahassee (no later than and possibly much sooner) by Tuesday, March 25, 2014.

This request is made due to a current heavy work load and time constraints at CBI.

Thank you in advance for your consideration of this request.

Regards,

Bill Parkes
