[Mr. Kothur,](#)

On behalf of Triumvirate Environmental (Florida), Inc., GeoTech is responding to your email comments of April 17, 2014, which are as follows:

1. Refer to the attached **Figure 4**, that shows the new replacement aboveground storage tank Tank 11R as “T-11R”.
2. Refer to the Tank Table, in the attached **Figure 7** that indicates that Tanks T11-R and T22 were installed in February 2014.

GeoTech will forward the two original Figures 4&7 via US Mail tomorrow.

May All Beings Be Happy.

Hello Nilesh,

I have received, reviewed and have couple of minor comments for clarification on the attached documents.

These minor comments were discussed with you through a conference call on April 16, 2014.

The Comments are as follows:

1. Figure 4, Second Paragraph and Sixth Paragraph: The Tank “(T-11A) should be identified as Tank (T-11R)”. Please review and revise as appropriate.
2. Figure 7, Tank Table, T11R and T22: According to As-Built Drawings dated April 8, 2014, these Tanks are installed. However, the table is still showing in the installed column as “Prop:01/14”.  
Please review and revise as appropriate.

Please make a note that, you need to submit these figures. However, you may clarify the response through an e-mail for DEP record.

Thanks.

Sincerely,

Bheem R. Kothur, P.E., DEE  
Hazardous Waste Program & Permitting

Good Morning Mr. Kothur,

On behalf of Triumvirate Environmental (Florida), Inc., GeoTech wishes to thank you for all your assistance in reviewing and approving the permit modification for the above-mentioned facility. Your efforts is appreciated in making this process a seamless one. GeoTech is also attaching the final "As-Built" drawings in this email. GeoTech will also be mailing you one original signed and sealed copy by our Professional Engineer via US Ground Mail today.

Should you require any additional information, please do not hesitate to call me.

May All Beings Be Happy.
