Based on the information provided in February 2014, and a subsequent site inspection in April 2014 (report to be provided under separate cover), the facility was determined to be in compliance, and any non-compliance items which may have been identified Department's CAO dated June 19, 2013 have been corrected.

The Department appreciates your efforts to maintain this facility in compliance with state and federal rules. Should you have any questions or comments, please contact Susan Pelz, P.E., (813) 470-5790, or via e-mail at: susan.pelz@dep.state.fl.us.
