Good Afternoon Merlin,

I have reviewed the Tallahassee draft operating permit and do not have any comments for you. It looks fine. On another note, I still owe you a pdf copy of the completed application. I am taking the document to FedEx office tomorrow to have them scan it and put it on a CD. I will overnight the CD to your attention and provide you with a tracking number once it is ready. I imagine it will go out Friday morning.

Thanks, Jeff

Good Morning Jeff,

The usual courtesy copy of your draft permit is attached. Let me know if you have any comments as quickly as you can but don't rush your review. If I don't hear from you in a week or so, I'll get back with you. I'd like to go with the Intent no later than the week of the 15th because people will be out Christmas week.
