Re: EQ Florida Solid Waste Management Facility (SWMF)
Permit No: 34757-010-SO/30
Hillsborough County
Alternate Solidification Agents

Dear Mr. Morgan:

This letter serves as notification that EQ Florida intends to begin using fly ash as an alternate solidification agent. A material safety data sheets (MSDS) for the primary source of fly ash is included as an attachment.

Please let me know if you have any questions or comments concerning this matter.

Sincerely,

Stuart Stapleton
