During a recent review of addresses in your area, it was found that your address as well as the street name has the potential to cause confusion and delay emergency response. Your current address does not follow any sequential addressing numbering scheme, nor are the internal streets recognized as legal roadways.

In order to ensure emergency response to your home or business, the Eg-1-1 Addressing Office has changed your address number and roadway name as follows:

Current Address: 175 1st. St.

New Assigned Address: 520 Beechcraft St.

Please make sure you retain this notification in your important records and documents.

We regret any inconvenience this change may cause. If you have any questions, please contact me at 863-534-5654.
