Re: Florida Waste Environmental Services
Used-Oil Processing Operating Application # 76517-HO06-001
Request for Extension

Gentlemen:

Florida Waste Environmental Services requests a second extension of 90 days for the Used-Oil Processing Permit submittal. FWES has obtained the SWFWMD Construction Permit and the Hillsborough County EPC Tank Farm Plans approval. FWES is, now, prepared to revise the submittal with these approved construction permits.

Sincerely yours,

Thomas A. Brislin
Director of Environmental Operations
