Good morning Beth –

The material came from a photography process based on the two profiles. I have attached both the original profile used, 40792583, and the one that was to resolve the OFFC issue, 1302185.

John - was the Sarasota Clerk of Courts waste from a parts washer? There is no information about the process generating the waste - can you send us the waste profile?

Thanks

**Subject:** Unmanifested waste reports for Bullet Line and Clerk of Circuit Court

Good evening Beth –

Attached please find two unmanifested waste reports for materials received at the Clean Harbors Florida LLC facility.
