General Comment	03/16/2017	Notification has an original signature.	SIMMONS_JLS
RHWT	03/17/2017	<p>Email to Donna McLean: Please submit the following to continue processing your Florida Hazardous Waste Transporter registration. The Certificate of Liability insurance we have on file lists the insured in line 4 as Triumvirate Environmental (Florida), Inc. 3701 SW 47th Ave Suite 109, Davie, FL 33314 (see attached). In order to use this insurance document, this address must appear on the 8700-12FL. I have attached page 1 of the 8700-12FL. Perhaps the address can be added in Item 6 or 7, or as a comment on page 5, which will require a new signature to be mailed. Since this is not a signature page you may email the corrected pages to me at email below (a blank form is attached for your convenience). I have also attached an information document on the requirements by rule for Florida transporters. Let me know if you have any questions or comments. Thanks</p>	HORLICK_S
RHWT	07/07/2017	<p>Email sent to Donna McLean: This is the second reminder. Our records indicate we did not receive all the required document revisions to process your HWT registration (see previous emails dated March 17, 2017 below). If we do not hear from you by July 21, 2017, your application for HWT RE ĳ registration, after an expiration, will be withdrawn. Please note this is the exact same issue with your renewal registration from 2016. As soon as possible, mail the required forms with the original signature to: DEP Waste Management Division ĳ HWPP, MS4560 2600 Blair Stone Rd. Tallahassee, FL 32399-2400 Transporting hazardous waste without proper registration is a violation of the law, subject to penalty. Please let me know if you have any questions. Thanks</p>	HORLICK_S
RHWT	08/01/2017	Phone conversation with Donna McLean. They will be submitting a Certificate of Liability separate from the Florida facility locations.	HORLICK_S
RHWT	08/09/2017	Updated HWT/UOH Certificate of Liability received.	HORLICK_S
